Bemerkungen.

Die Preise sind nach preuss. Cour. festgestellt. Gold und alle Cours habenden Papiere werden nach dem laufenden Cours angenommen und berechnet. Die in diesem Verzeichnisse angesetzten Preise gelten für versendbare junge, nach deren Beschaffenheit kräftige Pflanzen, grössere und Pracht-Exemplare werden auf Verlangen näher beschrieben und die Preise darüber festgestellt. Neue, sich rasch vermehrende Pflanzen werden, wenn der Preis sich beim Versand niedriger stellt, eben so billig berechnet.

Die Verpackungen und Versendungen, auf zweckmässige und sorgfältige Weise geleitet, geschehen auf Rechnung und Gefahr der resp. Besteller.
